## Art of Massage with Pierre & Lucia

### RELAXATION FOR BODY, MIND, AND SOUL

We offer fulfilling, sensual, and transformative body journeys. Our massages are inspired by traditional Hawaiian techniques, Chinese medicine, Qi Gong, and mindful, loving touch. Experience a moment of deep relaxation to reconnect with yourself.

### LOMI L'EAU

Lomi l'Eau is a full-body massage with Monoi oil. A wave of gentle, flowing, and deep movements will flow through you, connect you with your inner self, relax your muscles and fascia, and open your meridians. The massage promotes blood circulation, circulation of the lymphatic system, and the flow of energy in the body. Blockages are released on both a physical and emotional level.

⌚ ≈ 2h30 • € 105 to 220 according to your own discretion & well-being

### 4-HAND MASSAGE

A special moment just for you, carried by our connection and four experienced hands. This warm oil massage invites you on an inner journey where your body relaxes and your mind finds peace. We accompany you with our Yin & Yang energy; it flows through you in gentle waves, harmonizes your being, and envelops you in a flowing dance where boundaries blur. A wonderful moment for you and your daily well-being.

⌚ ≈ 2h15 • € 190 to €300 at your own discretion & well-being

### MASSAGE FOR COUPLES

Treat yourselves to a time out to relax together to deepen and strengthen your connection. Side by side, you enjoy a soothing massage. This inner journey releases tension, calms deeply rooted memories, and gives you new lightness. A unique experience, like two travelers looking out of different windows and yet walking together towards the same horizon.

⌚ ≈ 2h45 • € 190 to € 450 at your own discretion & well-being

### CORÉENNE RELAXATION WITH PIERRE

Korean deep relaxation is a massage without oil, performed on a fouton. Using your body's own weight, I "massage" you with gentle rocking movements, vibrations, stretches, and mobilizations. These techniques open your joints, loosen muscles and tendons, and allow the relaxation to flow down to your bones. This allows deeply stored tensions to be gently released.

⌚ ≈ 3h15 • € 155 to 220 at your own discretion & well-being

### SEATING MASSAGE WITH PIERRE

My seated massage is based on various Asian techniques. Using targeted acupressure points along the meridians of the back, neck, and arms, I release tension, pain, and stress. This allows your life energy to flow freely again and your body to gain new strength.

⌚ ≈ 60 min • € 55/hour at your own discretion & well-being

Massages are available from Monday to Friday. Book your relaxation time directly at the reception or visit us at spot number 30. Our massages are tailored to your needs; slight delays are possible. Thank you.
